# ABOUT US

Redefining the modern homes with innovation and excellence

Havells is at the forefront of transforming modern living spaces by offering innovative solutions that elevate everyday experiences. With a deep understanding of consumer needs, the company has expanded its footprint across every aspect of home life, creating environment that are not only functional but also comfortable, stylish, and future-ready. To make these solutions accessible, Havells leverages an extensive distribution network encompassing 18,000 dealers, over 1,000 exclusive brand stores, intensifying presence in modern retail, e-commerce and quick commerce.

The company's portfolio includes power brands like Havells, Havells Crabtree, Lloyd, REO, Havells Studio, and Standard each designed to cater to the unique demands of today's consumers.

At the forefront of Havells product evolution lies its Customer Experience & Designs (CXD) Studio, where creativity and user-centric design converge. This is complemented by its Centre for Research & Innovation (CRI), supported by four advanced R&D centres, enabling Havells to consistently deliver products that are both functional and visually compelling.

Driven by a commitment to innovation, quality, and design, the company also upholds sustainable practices throughout its operations, including eco-friendly manufacturing processes and energy-efficient product design, contributing to a greener and more sustainable future.

# WHY HAVELLS COOLERS?

At Havells, innovation is not just a buzzword. It's our promise. Our 2025 range of Heavy Duty Coolers is the result of pushing boundaries and defying expectations. Built for power, precision, and longevity, these coolers don't just keep you comfortable. They redefine what air cooling should be.

*\*Features & weight may vary from model to model.*

# DUAL FLOW HONEYCOMB TECHNOLOGY

## MAXIMUM COOLING MAXIMUM COMFORT

# DESERT AIR COOLER

If you're looking to beat the heat in larger spaces, Havells Desert Coolers are your go-to. The versatile Havells Convertible-80 air cooler is designed for modern homes and adapts to your needs. With this cooler you can enjoy refreshing air in the summer, then convert it to a side table for easy storage and clutter-free winters.
